SOUTH COBB TUNNEL CONSTRUCTION MANAGEMENT SERVICES

PROJECT NO. S3017

for

THE BOARD OF COMMISSIONERS OF COBB COUNTY, GEORGIA

Proposals for the design of the aforementioned project will be received by the Board of Commissioners of Cobb County, Georgia, herein referred to as "Owner," at the offices of the **Purchasing Department, 1772 County Services Parkway** (formerly County Farm Road), **Marietta, Georgia 30008**, until **12:00 Noon** (local time) on **Thursday, October 26, 2006**. The project name and project number must be shown on the outside of the sealed envelope. **No proposals will be accepted after the 12:00 Noon deadline.** Those received late will be returned unopened.

Proposals will be opened at 2:00 PM (local time) on Thursday, October 26, 2006, in the Purchasing Department bid room, Purchasing Department, 1772 County Services Parkway, Marietta, GA 30008.

The Project consists of construction management services for the South Cobb Tunnel project, which includes a 30,000 linear foot hard rock tunnel and a 130 mgd lift station. The tunnel will have an excavated diameter of 27 feet and an average depth of approximately 350 feet below ground surface. There will be a 100-foot diameter lift station shaft, two 40-foot diameter construction shafts, and five intake shafts of varying diameters. The project will also include a 3,200 linear foot connector tunnel with a finished diameter of six feet. This project is being constructed to provide needed sewer capacity in the south Cobb area and will eliminate two pump stations and over 30,000 linear feet of gravity sewer.

The proposal package is available at the offices of **Cobb County Water System, Engineering & Records Division, 660 South Cobb Drive, Marietta, Georgia 30060, Attn.: Judy Jones, (770) 419-6339.**

Each proposal will consist of a narrative proposal and a cost proposal. It is anticipated that a contract for the described services will be entered into the firm that, in the opinion of Cobb County, offers the most favorable combination of qualifications, approach, and pricing.

Owner reserves the right to waive any informalities or to reject any or all proposals, to evaluate proposals, and to accept any proposals which in its opinion may be for the best interest of Owner. Owner has the right to add to and delete from the agreement once it has been awarded.

The successful engineering firm for this agreement will be required to furnish satisfactory certificates of insurance for general liability, automobile liability, professional liability, and worker's compensation and employers' liability coverage.
